

LASTING POWERS OF ATTORNEY

Do not miss the opportunity to appoint an Attorney of your choice to manage your affairs.

In the event that you become physically or mentally incapable of managing your affairs NO ONE has the right to do so on your behalf without official authorisation.

Failing to appoint an Attorney can leave you without proper management of your affairs for what could amount to several months.

If you do not have sufficient mental capacity then it may become necessary for an official Deputy to be appointed to act on your behalf by the Court of Protection. This process can cause difficulty and hardship to you and your family at what will already be a difficult time.

Act now! Menneer Shuttleworth are ideally placed to advise you on the advantages of appointing an Attorney and will take you through all the necessary steps giving you clear and efficient guidance at every stage at an affordable price.
